

A River Lies Waiting to be Discovered...

Save Our Seine
river environment inc.

POSITION OVERVIEW:

The Summer River Clean-Up Team Coordinator will oversee and supervise the clean-up of the Seine River greenway carried out by the Summer Team. The Coordinator will lead the Summer River Clean-Up Team in activities that will clean and enhance the natural environment along the Seine River while maintaining a positive work environment, resolving conflicts, and managing staff attendance.

SAVE OUR SEINE is a community-based environmental organization and registered charity. Its mission is to protect, preserve, and enhance the Seine River through education, awareness, and hands-on participation that enables all citizens to connect with the river's natural and cultural heritage.

POSITION: Full-time (40h/w), seasonal position (16-17 weeks, 640-680 hrs)

TIME FRAME (APPROXIMATE): 16-17 consecutive weeks between May 1, 2023 and August 31, 2023.

WAGE RANGE: \$18-20/hr (depending on experience)

WORK LOCATION: Seine River Greenway within Winnipeg (from the floodway to the Red River).

About You

Bring your enthusiasm for nature and working outdoors:

- Maintain & clear walking trails and riverbanks, and restore and enhance forest and greenspace (weeding, watering, litter removal)
- Identify additional work needed and coordinate with contractors (e.g. arborists) - Come prepared to work in all types of weather

Bring your experience building and leading a summer team:

- Assist with hiring and training 4-8 team members
- Inspect the urban Seine River Greenway and develop a general plan
- Plan the team's activities and chart the progress
- Plan equipment needs
- Identify training needs

Bring your experience using light tools and equipment:

- Maintain and use all equipment
- Drive the team to work areas in the SOS truck
